Spring 2020

*"I have always imagined that Paradise will be a kind of library."*  
— Jorge Luis Borges

The U.S. Constitution requires a count every 10 years of every person living in the United States. Census results determine how the federal government allocates more than \$800 billion each year for services that communities rely on.

Census data also determines representation in Congress and the Electoral College, as well as in state and local governments.

Beginning March 12, 2020, the Census Bureau will mail every household in the United States an invitation to respond to the census, including a new option to respond online. Remember, you can visit any Washoe County Library to use computers to complete the Census. Library staff will be on the front lines to help you get started.

**BECAUSE LIBRARIANS BELIEVE THAT EVERYONE COUNTS.**

Census responses are confidential. U.S. law strictly prohibits the Census Bureau from sharing personal census responses with anyone—including law enforcement, courts, or any other government agency. For more information, go to <https://www.2020census.gov/>

## The 2020 census is here!

Spring Food for Fines is Back! Beginning April 1 through April 30, 2020, patrons can bring cans or boxes of non-perishable food to all Washoe County Library System locations in lieu of overdue fines to support efforts to combat hunger in our community. Washoe County Library patrons are asked to bring one non-perishable food item for every overdue book or other item. (Food cannot be exchanged for lost or damaged library materials.)

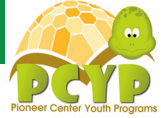

Donated food will be delivered to the Food Bank of Northern Nevada. Donations made at the Incline Village Library will help support Project MANA.

PBS Reno and the Community Foundation of Western Nevada along with nonprofit sponsors present a series of free, in-depth workshops on estate planning. Learn how to take charge of your own estate.

Wednesdays March 25–May 13, 2020  
Time: 10:30 am–Noon and 1:30–3 pm

## A Welcome from Library Director Jeff Scott

Hello and welcome to our Spring edition of the Washoe County Library System Explorer! This spring you will see special activities for Spring Break, a return of the Kids Café during school break, as well as the innovative programs and services you have come to expect.

Washoe County Library System is proud to provide such a great host of activities for our patrons of all ages. We have the Spring Family Estate Planning Workshop Series Offered At Sierra View Library starting in March. We will have Food for Fines again throughout the month of April.

2020 is also a special year as it is a Census year. The State of Nevada would encourage each of you to be counted during the Census. Critical federal funding and federal representation is dependent upon getting an accurate count of Nevada residents. Lastly, this is an election year so you will see a great deal of activity and the ability to early vote at your Washoe County Libraries!

So much happening this Spring! Check out the brochure and find out everything we have to offer! Thank you for being a library patron!
