Winter Events
& Resources

*A Welcome from
Library Director Jeff Scott*

Washoe County Library

EXPLORER

Cold weather has arrived, wrapping up another great year for Washoe County Library System. We hope visiting our cozy libraries is a part of your plans for winter and 2023.

Following successful renovations at other locations, the Sierra View Library is closed for the winter for needed improvements to the facility. In addition to updated furnishings and layout, the library will gain a new exterior entrance. Check out more renovation news on page 4.

Each year, many of our branches serve as polling places for elections in Washoe County. This year, we welcomed tens of thousands of voters to our libraries during early voting and on election day. The Spanish Springs Library alone had 10,159 voters during early voting!

Visitors at most of our libraries may have noticed something new: our "Zoom ROOMS" (see page 4) are soundproof working spaces ideal for virtual meetings and interviews, and allow an individual user to fully participate in a meeting without any distractions from other library users. The North Valleys and Incline Village Libraries will each have a larger ROOM, suitable for groups of up to four.

Our Outreach and Homebound Services have launched, allowing us to deliver library services throughout the community. You can find out more on pages 7 and 8. We are always working to bring you the best book recommendations through creative displays, book lists, our On the Shelf and On the Kids' Shelf segments on KUNR, and our friendly staff who are ready to help you find the right read. And of course, the Winter Explorer is full of great events for all ages for you to discover. Don't miss our ongoing services for makers (page 12) and a full lineup of holiday fun for kids (page 5).

The best way to keep up with the latest news and event information is to subscribe to our newsletter and follow us on social media. Find more information on our website and be the first to know about reading recommendations, new services, and more. We can't wait to see you!

LIBRARY NEWS

Libraries receive new Zoom ROOMS!

Washoe County Library is excited to announce the arrival of our new, grant-funded Zoom ROOMS! These private study rooms and phone booths offer quiet, connected space for virtual meetings and focused study.

Phone booths are available at the Downtown Reno, Sierra View, South Valleys, Spanish Springs, and Sparks Libraries; meeting rooms are available at the Incline Village, and North Valleys Libraries. Contact a branch for Zoom ROOM reservation information.

Funds for this project have been provided by the Institute of Museum and Library Services through the Library Services and Technology Act, administered by the Nevada State Library, Archives and Public Records.

Sierra View Gets a New Look

The Sierra View Library, uniquely located in the Reno Town Mall, has been serving the community for nearly 40 years, making it one of the oldest branches in the Washoe County Library System. We are delighted to be able to refresh our space and improve our facility. Our refresh is a partnership between Washoe County, Washoe County Library System, and the Reno Town Mall as part of the new lease.

The changes will be worth the wait! Sierra View will have new carpet, paint, and furniture, along with an enhanced collection, including new children's materials.

We are also excited to announce the construction of a rear entrance to our branch, providing an accessible entrance to the space. The improvements aren't limited to the Sierra View Library, either!

With shelving off the walls, painting has begun!

The Friends of Washoe County Library nonprofit, whose space is adjacent to the branch, will also receive fresh paint and carpeting.

This is the first major improvement project for the branch in more than a decade, and we can't wait to share it with the public!

Library staff takes a quick photo break after unloading book trucks for collection storage.

“The Sierra View staff looks forward to welcoming back patrons and providing programs and assistance to the public in a greatly improved space.”

– Sarah Jaeck, Sierra View Branch Manager
